## **Veuve Clicquot**

**£13.2**

**£95**

**£185**

Veuve Clicquot privileges excellence and quality, using grapes from predominately Grands and Premier Crus and only using the juice from the Cuvée (the only pressing of the grapes). The Champagne is dominated by Pinot Noir, with Chardonnay bringing its elegance, freshness and delicacy and finally Pinot Meunier delivering the fruit.

## **Veuve Clicquot Rosé**

**£110**

Made using 50 to 60 different crus, the cuvee is based on Brut Yellow Label's traditional blend, 44% to 48% Pinot Noir, 13% to 18% Meunier, 25% to 29% Chardonnay. Coppery-orange colour. Expressive aromas of strawberry and very ripe wild strawberries.

## **Moët & Chandon**

**£95**

Created from more than 100 different wines, of which 20% to 30% are reserve wines specially selected to enhance its maturity, complexity and constancy.

## **Bollinger**

**£100**

Bollinger is made from first-run juice only, and the majority of vineyards used have Premier and Grand Cru status, resulting in a full-bodied Champagne of great class.

## **Laurent Perrier Rosé**

**£120**

**£210**

For Cuvée Rosé Laurent-Perrier, the Pinot Noir grapes picked in the dedicated plots are selected for their perfect ripeness and manually sorted in Laurent-Perrier harvest stations, then destemmed to retain only the berries before they go into the maceration tanks.

## **Dom Pérignon**

**£285**

Dom Pérignon is the most famous Champagne in the world, and for good reason. The bouquet sparkles with delicate fresh violets in a setting of white peaches. The soft delicate flavours continue while the senses are tickled by the most delicate of fine bubbles. Though this is such a fine delicate wine, the complexity is astounding, along with its length. Stunning.
